- Dance costumes DO NOT correlate to standard clothing sizes.** PLEASE measure your child and do NOT use clothing size.
- Based on your dancer's measurements use the size charts to determine the size you feel appropriate to fill out the **size portions completely.**
- Torso/Girth** is the most important measurement. **When in doubt, opt for the larger size.** You can make a big costume smaller but not a small one bigger!
- For EACH DANCER in your family complete ONE costume order form **or** submit online form.
- To submit measurements and sizes online go to www.balletcaliente.com/costumemeasure.
- You may pay with ONE check for all costumes and dancers in your family.
- To pay costume fees online (additional handling fees apply) go to www.balletcaliente.com/costumeorder
- Please place all forms and payments in the costume order envelope on the credenza at the studio.
- If you have questions email Christine Wojcik schoolmanager@balletcaliente.com.

How to Measure

1) Bust: With dancer's arms relaxed at sides, measure the fullest part of the bust/chest, keeping the tape parallel to the floor.

2) Waist: Measure around your dancer's waist, while in underwear or leotard, at the point where trousers would normally ride. Keep one finger between the tape and your body.

3) Hip: Stand with heels together, and measure around the fullest part of hips, keeping the tape parallel to the floor.

4) Torso/Girth: Run a tape measure full circle from shoulder, over the fullest part of bust, down through the center of crotch and back up to the starting point. **THIS IS THE MOST IMPORTANT MEASUREMENT!**

5) Inseam: The length of the leg from the crotch to one inch above the floor. Measure in stocking feet.
