

Ballet Caliente Tuition Calculation Form Summer 2018

This form is designed to help you calculate the tuition for your dancer. **You will need to fill out a form for EACH dancer.** The Tuition amount is based on the total number of hours your dancer is enrolled times the number of weeks.

1. Locate your desired class in column 1; enter the number of Hours per Week for your dancer at that level in column 5.
2. Locate any additional optional desired classes in column 1; enter the number of Hours per Week in column 5.
3. Add all the numbers in column 5 and enter this number in the bold box at the bottom.

How To Calculate Your Total Tuition:

1. Find the column listing your dancer's Total Hours per week as calculated on page 1.
2. Find the row for the number of weeks your dancer will attend.
3. Where the column and row intersect is your total tuition.
4. If you have more than one dancer, you will need to calculate each dancer separately. Please [contact us](#) if you have any questions.
