

# Summer 2022 Ballet Caliente Tuition Policies

**All New Students will be charged a “New Student Registration & Insurance Fee” of \$20.** All dancers are covered under the studio’s insurance policy.

Ballet classes are a prerequisite at Ballet Caliente. Dancers must be enrolled in a ballet class before they may enroll in another genre (jazz, tap, contemporary, etc.).

## **PAYMENT IS DUE IN FULL UPON ENROLLMENT.**

- Tuition invoices are emailed 1-2 business days after online registration is completed.
- Tuition and/or fees are non-refundable if cancelled less than 48 hours prior to the session or class start date.
- Summer tuition is non-refundable after the start of the session.
- Registration fees are non-refundable.

## **THERE IS NO INSTALLMENT OPTION FOR SUMMER ENROLLMENT AS ALL FEES ARE DUE UPON ENROLLMENT.**

- A returned check fee of \$30 is assessed for all returned checks.
- If a check is returned, the patron is notified and must settle the account within 30 days or the student will be suspended from class until the account is settled.

## **THERE IS NO TUITION REIMBURSEMENT FOR ABSENCES.**

### **MAKE-UP POLICY:**

- *Absences from class resulting from illness, injury, or vacation are excused. Please make up missed classes within one month of the missed class when possible.*
- *All makeups must be done in the session (summer) in which the classes were missed.*
- **Your dancer may make up classes in an equal or lower level without instructor permission.**
  - *Director’s permission is REQUIRED to make-up in a higher-level class.*
- *Jazz, Contemporary, or Tap classes may be substituted for ballet classes and vice versa.*
- *Absence due to a long-term illness or injury may allow a suspension of tuition payments but does not ensure that a space will be available upon the dancer’s return.*

We are thrilled to announce the latest update to the Parent Portal! You now have the ability to enter absences and schedule your own makeup classes!

- *Here is a quick video that will show you how easy this is to use: [Submit an Absence/Schedule a Makeup!](#)*

4. Based on the **Total Hours per Week**, use the tables on page 4 to determine your **Tuition Payment Amount**.

## How To Calculate Your Total Tuition using chart on page 4:

1. Find the column listing your dancer's Total Hours per week as calculated above.
2. Find the row for the number of weeks your dancer will attend.
3. Where the column and row intersect is your total tuition.
4. If you have more than one dancer, you will need to calculate each dancer separately.
