In the Spotlight

Dancers in our PreBallet, Primary Ballet and Ballet 1 classes have begun working on their pieces for *In the Garden* & *In the Toy Box*! Due to the volume of adoring fans, we have divided the recital into two separate shows. To view the list, and learn which show your dancer will perform in, click [here](#).

This year, we will once again have Commemorative Memory Books available for sale! Parents looking for a special way to acknowledge their dancer can purchase a “recognition page”, which can be purchased as 1/4, 1/2 or full pages, and will include a photo and quote of your choosing. Pre-sale of Memory Books and Recognition Pages will open in April. More details to come!

Supernumerary Announcements - coming soon!

In the near future, teachers will select supernumerary dancers from Pre, Primary & Ballet 1 to participate in our June production! **Invitations will be emailed to families and rehearsal schedules will be released soon!**

As a parent, there are lots of ways to stay on top of your dancer's classes, performance roles, rehearsal schedules and costume requirements.

WHAT'S A SUPERNUMERARY?

You may have heard the term “supernumerary” floating around the studio lately, but what exactly does that mean?

Known as “supers,” supernumeraries are extra dancers of the ballet world that enhance and create a believable scene. These dancers are chosen from our students participating in the May Recital. They will enjoy extra stage time participating in the June Performance and delight in the aspect of appearing with the advanced dancers. Dancers are chosen based on a number of factors including the following: dance ability, maturity, as well as ability to follow instruction and remain focused.
