MAY RECITAL UPDATES!

Dancers in our PreBallet, Primary Ballet and Ballet 1 classes have begun working on their pieces for *At The Movies!* Due to the volume of adoring fans, we have divided the recital into two separate shows, A & B. Your recital dancer will be in EITHER show A or B, not both. To view the list, and learn which show your dancer will perform in, click [here](#).

For this year's recital, we will have Commemorative Memory Books available for sale! Parents looking for a special way to acknowledge their dancer can purchase a "recognition page", which can be purchased as 1/4, 1/2 or full pages, and will include a photo and quote of your choosing. Pre-sale of Memory Books and Recognition Pages will open in April. More details to come!

DANCERS SHINE ON AND OFF STAGE

We couldn't be more proud of our students! Ballet Caliente dancers Vivian (*Junior Company*) and Kate (*Studio Company*) hold the spotlight this month, showcasing the Dancing D's with their contributions to the community and impressive endeavors.

Kate showed devotion to a cause when she assembled a group of Ballet Caliente dancers to perform in Rhythm 2024 with Team Fly4aCure. This event raised awareness and funding to support research for The Leukemia & Lymphoma Society.

Vivian exhibited dedication through her research project "Vitamin D for Dancers", which earned her first place in the Materials Science category, as well as Junior Grand Prize at the county fair. Her project tested ways to make marley flooring suitable for outdoor use, highlighting the importance of sunlight and Vitamin D exposure for dancers. Vivian and her research will move on to the Regional Science Fair later this month!
